OneBox365 – ‘The Simplest Path to Lync Voice’

OneBox365:

- Is een complete Lync ‘end-to-end’ enterprise voice oplossing voor Office 365 gebruikers.
- Door de migratie van het E3 plan naar het E4 plan transformeert Office 365 naar een bedrijfstelefooncentrale.
- Is ideaal voor klanten die opzoek zijn naar een one-stop shop, turn-key oplossing inclusief hardware, software, services en support.

Inclusief

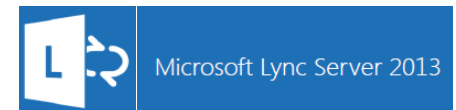

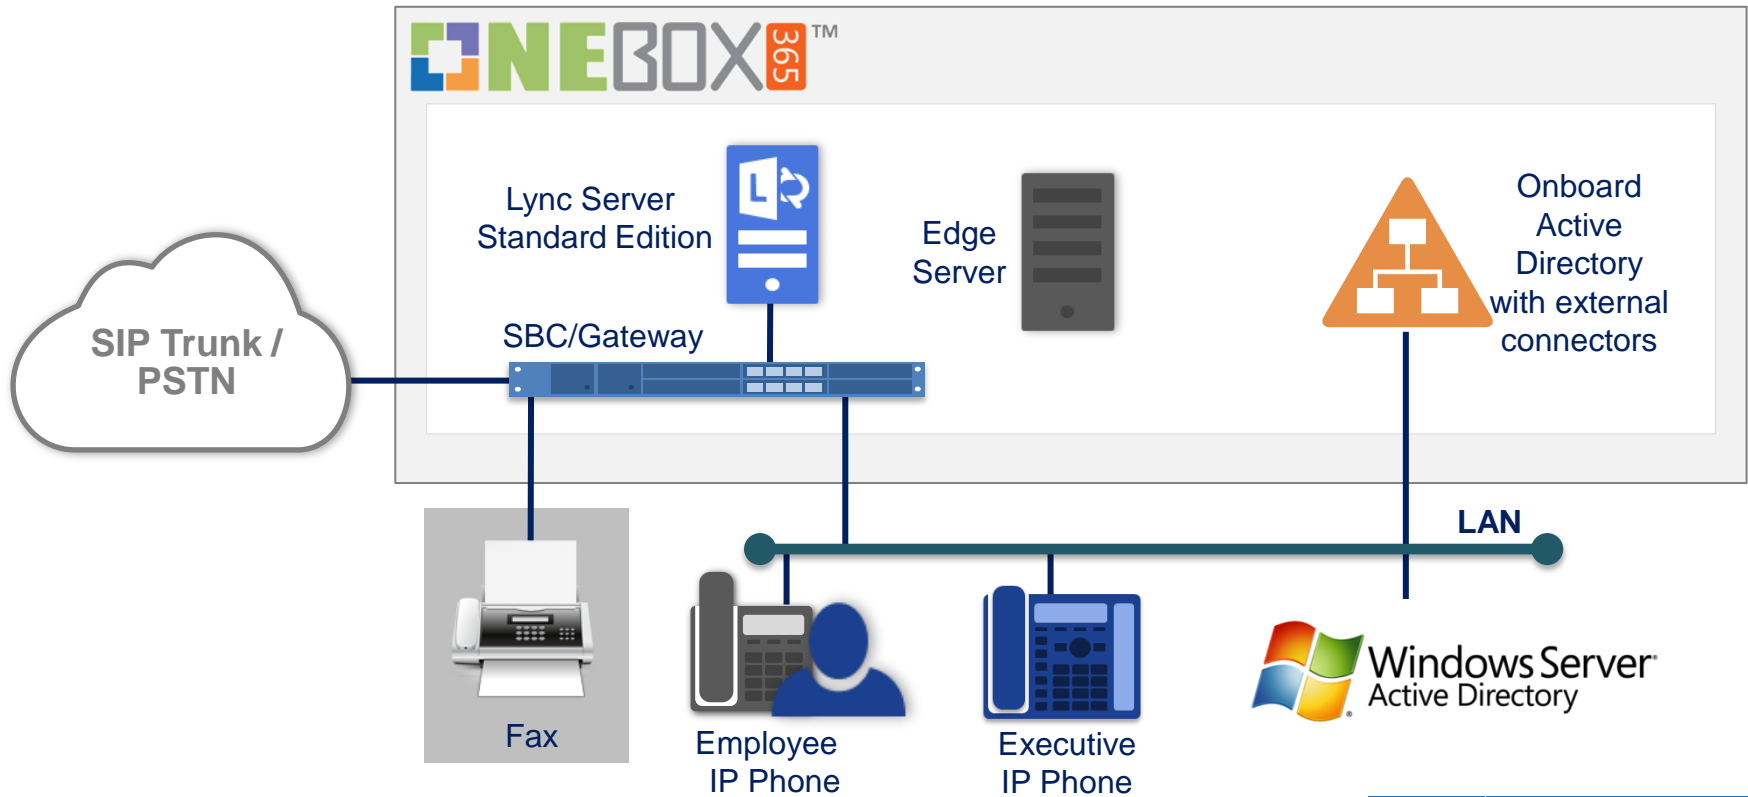

Lync
Appliance

End-Point
Devices
